Hi William,

It was nice talking with you yesterday. I have attached a few document for you based on our conversation after the meeting. First, I wanted share with you the Data Sharing Agreement the EC Water department signed regarding the data we provide. I have provided a word version of the data sharing agreement for you to review and send back. Since there is some personally identifiable information (PII) we ask that this information be protected. Secondly, I've attached a spreadsheet with all the contact information we have for the 72 properties we will be excavating in Zone 2 this summer. The properties highlighted in blue are ones we do not have valid contact information for. Finally, in this email are the first 5 properties that we are targeting for excavation along with the scheduled meeting time. If you have questions please feel free to give me a call. If not, We'll see you on Monday at Carrie Gosch School.
